EDEN 4.0

Innovate ° Collaborate ° Transform

VENUE:

Marian Engineering College,
Thiruvananthapuram

DATE:

27 and 28 June 2025

About EDEN 4.0

EDEN 4.0 is a state-level hackathon hosted by **Marian Engineering College**, in collaboration with **Inspira Marian IEDC** and **MuLearn MCE**. It is a **2-day in-person** event held on campus.

The 24-hour hackathon takes place on Day 1, followed by judging and award announcements on Day 2.

Eden challenges students to tackle real-world industry problems using innovative tech solutions. With intense competition and a high-energy environment, **EDEN 4.0** is more than just a hackathon—it's a launchpad for future innovators.

About Marian Engineering College

Marian Engineering College, established in 2001, is a prestigious institution affiliated with APJ Abdul Kalam Technological University (KTU) and **approved by AICTE**, New Delhi. Managed by the Trivandrum Social Service Society under the Trivandrum Latin Catholic Archdiocese, the college is dedicated to delivering world-class engineering education through state-of-the-art facilities and a highly qualified faculty.

About Inspira Marian IEDC

Inspira Marian IEDC is the college's innovation and entrepreneurship cell, powered by **Kerala Startup Mission**. It nurtures creativity, guiding students to turn innovative ideas into successful startups through workshops, networking events, and hands-on experiences.

About μLearn

μLearn, an NGO, is a student-driven platform that connects curious minds, encouraging them to learn at their own pace through collaborative approaches like learning circles. Whether it's coding, design, leadership skills, game development, Esports, comics or even filmmaking, μLearn has something for everyone. **μLearn MCE**, our campus chapter, brings this philosophy to life with hands-on workshops, collaborative projects, and real-world problem-solving, all while making learning fun and engaging for our students.
